We would love to host a coffee morning for Macmillan in school, however as we still have restrictions inside the building, we are taking the opportunity to have a garden party tomorrow-Friday 24th September

You are invited to bring your own cuppa in a flask (sorry we can't make them) and we will provide the cakes 🍰🍩☕

Foundation phase (infants) parents are welcome to come along 9am-10am and our key stage 2 parents from 2pm - 3pm. All proceeds from the cakes will go to Macmillan Cancer Care. Hope to see you there 😊
