## **Part A: Strategy Plan**

### **Statement of intent**

Penyrenglyn Community Primary School will support all vulnerable families and PDG eligible pupils through a variety of regular interventions, support and provision provided by staff. This provision will be closely tracked by senior staff to ensure appropriateness of the intervention and progress made by the pupils.

We are committed to using our PDG/Equity grant to overcome any additional barriers that learners from disadvantaged backgrounds may face which may prevent them from attaining as well as their peers, whatever their ability.

Key principle areas we will address are: Wellbeing, Literacy and Numeracy.

We aim to:

- Develop and maintain secure relationships with families;
- Plan interventions which make the most effective use of resources;
- Monitor and evaluate their impact through progression and attainment data used to check whether interventions or techniques are working;
- Develop programmes and activities that promote wellbeing;
- Ensure support staff are highly trained and understand their role in helping pupils to achieve;
- Ensure we have a designated senior leader who has a clear overview of the entire support programme;
- Ensure class teachers know which pupils are disadvantaged;
- Ensure governors are well informed regularly of objectives and progress;
- Ensure links with families presenting barriers to learning are strengthened;
- Ensure clear and robust performance management systems are in place for all staff (with open discussions about eFSM pupils in performance management meeting);
- Encourage attendance and support where necessary.

### **Intended Outcomes**

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

<b>Intended outcome</b>	<b>Success criteria</b>

**Activity in this financial year**

This details how we intend to spend our PDG/Equity **this financial year** to address the challenges listed above.

Staff will support eligible pupils with a range of regular literacy, numeracy and wellbeing interventions.

Senior staff will closely track eligible pupils to ensure appropriateness of intervention and progress made by the pupils.

The Family Engagement and Wellbeing Officer will develop secure relationships with families by being a point of contact before, after and throughout the school day and by seeking out opportunities for families to come together to develop their lifelong skills.

The Family Engagement and Wellbeing Officer will provide bespoke support to individual pupils and families in order for them to overcome current challenges.
